

Meet us at Svenska Mässan!

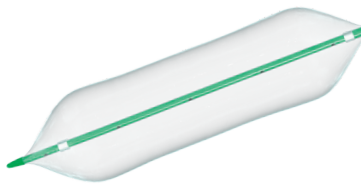

CEORL 2026 – European Product Launch

Discover the next generation of airway solutions

At CEORL 2026, SPIGGLE & THEIS proudly presents

Aeris® Balloon Dilation Catheter

Designed for unique challenges of dilating airway strictures.

Tenax® Endotracheal Tube

Developed to enhance protection against airway fires and to maximize patient safety during laser laryngeal procedures.

Visit our booth to explore these innovations and discover our latest developments in Otolaryngology, Rhinology and Laryngology.
